BOGLE'S HYPERION FLUID!
For Restoring, Preserving and Adorning
THE HAIR!
THE GREAT PRESERVATIVE OF THE AGE!
NO HOME in the Tropics should be without Bogle's
Hyperion Fluid!
Prof. Anderson, in 1855,
Pronounced it to be the Saver of his Hair!

It affords me very great pleasure to bear witness to the sur-
prising efficacy of "Bogle's Hyperion Fluid." I had occasion
to resort to it after losing so much of my hair as to be almost
bald, owing to the influence of the climate, during my tour in
the United States. Various cheaply advertised Restoratives
which I had already tried having entirely failed, I was advised
to test the value of Mr. Bogle's preparation. I used it dili-
gently for some time, when to my great gratification my hair
assumed more than its former luxuriance. Hence I can—both
from my own experience and that of my friends to whom I
have recommended its use—most confidently advise the use of
the "Hyperion Fluid" to all who need the use of that which
shall restore, nourish, and beautify their hair. For these pur-
poses, I am certain that it is unsurpassed and unsurpassable.
JOHN HENRY ANDERSON, Esq.
"Great Wizard of the North."

To the Public of Honolulu.
The Agent of Bogle's Hyperion Fluid having called on me
when I arrived here, I was delighted to find my old friend had
preceded me (I mean Bogle's Fluid). My hair was falling out
in great quantities, and I was advised to try Bogle's Fluid.
